- **Address -** New Delhi, INDIA

PROFILE

Ambitious full-stack web developer with practical experience in creating and optimizing a variety of web applications. Skilled in both front-end and back-end technologies, including HTML, CSS, Bootstrap, JavaScript, PHP and MySQLI. I am driven by a passion for solving complex problems and delivering seamless user experiences. Eager to apply my technical expertise and make a tangible impact, while continuing to grow professionally.

WORK EXPERIENCE

WEB DESIGN AND DEVELOPMENT

Web Developer with over 1 years of experience creating custom websites based on client needs. I specialize in designing and developing responsive, user-friendly websites using technologies like HTML, CSS, JavaScript, PHP, MySQL, and Bootstrap. My work involves building websites from scratch, ensuring they meet the specific requirements and goals of each project, and providing ongoing updates and support to maintain functionality and performance.
